

VentureFlash VF825

FLASHING TAPE

VentureFlash VF825 is a 3-ply self-adhering flashing tape. Durable, tear resistant and puncture resistant, VentureFlash VF825 is ideal for demanding commercial and residential applications.

VentureFlash VF825 is coated with a special cold weather acrylic pressure sensitive adhesive. Broad temperature performance, coupled with excellent peel and tack, VF825 is ideal for a wide range of demanding applications and environmental conditions.

VentureStop VF825 cuts and installs easily and conforms well to irregular surfaces. Convenient roll size options offer application flexibility, efficiency, and cost savings.

Available in a standard as well as custom roll sizes, VentureStop VF825 is a versatile, high performance flashing tape for a broad range of applications.

FEATURES & BENEFITS

- Economical, self adhering and self healing weathertight flashing tape
